There will be a 3'00" crossover upstage and step units stage right and stage left for entrances and exits.

All participants must come already dressed in costume for the showing. There are NO dressing rooms available.

All participants must have their CD or iPod cued and ready to hand to the audio technician at the time of the performance.

Participants may sit in the audience while they wait for their call to the stage.

Please refer to the running order and be ready to go on the piece prior to yours.

**Kathryn's suggestions:** Look at the teaching schedule. Go and check out the space when no classes are scheduled so you can space the dance. I cannot offer any suggestions as I, also, do not know the space, but I will look at it when I get to Florida early Wednesday evening. Good luck everyone. You will all be fabulous. See you soon, *Kathryn*
