CALL FOR DANCES/ADJUDICATION GUIDELINES

ALL SUBMISSIONS MUST BE RECEIVED BY
THURSDAY, DECEMBER 8, 2022

Schools will be informed of committee decisions no later than Tuesday, December 20, 2022. Any school on the Wait List who are accepted for performance will be moved off the Waitlist.

One **Showcase**, one **Outstanding Student Choreography** and two **Gala** Concerts, each featuring different programs, will be held on the Friday and Saturday of Festival. The Showcase and Student Choreography concerts are tentatively scheduled for 5pm and the Gala Concerts for 8pm at the Byham Theater. These are full-tech concerts. The Friday Outstanding Student Choreography Concert will feature STUDENT choreographed works only. All works selected for this concert will be eligible for the “Outstanding Student Choreography” Award. The Saturday Showcase concert will feature works by faculty and guests (including any reconstructions). Three **Informal** low-tech Concerts will be held and scheduled during regular class slots on Friday and Saturday on campus.

An Adjudication Committee will **BLIND REVIEW** all works submitted. For integrity purposes, the members of the committee will not be announced until after the Adjudication process is completed.

You are invited to submit works to be considered for performance. Your dance(s), if accepted, will be placed in one of the 6 or 7 programs by the Adjudication Committee. Acceptance will be based on quality of performance and choreography. You may download the Adjudication Form from the website so you know the categories being judged. No one will receive written feedback nor have access to the judges’ adjudication forms. You may, however, request verbal feedback of any comments supplied by the judges. More than one work from any one school may be accepted for performance.

RULES AND GUIDELINES (Please read carefully):

- No more than **5 works** may be submitted by any one school. If submitting 5 works, at least two of these must be choreographed by a student currently enrolled at your school. If no student works are submitted, then you may submit a max of 3 works. If all student works, then you may submit a max of 5 works.
- Faculty/Guest/Reconstruction dance works should be 3-12 minutes (max.) in length. Student choreographed works should be 3-6 minutes (max.) in length.
- It is your responsibility to have all necessary permissions to perform any reconstructed piece at the Festival.
- Solos may be submitted by student choreographers but only works choreographed for two or more dancers are eligible for the "Outstanding Student Choreography Award".
- Works submitted must be in one of the following dance idioms: ballet, modern, jazz, hip hop, tap, musical theater, or world dance.
- Choreography may be by a faculty member, guest choreographer, or currently enrolled student. A reconstructed work, where the choreographer is no longer living, may also be submitted. It is the responsibility of each individual high school to acquire any permission rights.
- Teacher in charge must verify (by checking the box in the Adjudication Submission Form) that any student piece submitted has been choreographed by that student. Faculty may have critiqued and given suggestions for improvement to the choreography, but the work must have been created and rehearsed by the student.

- Works submitted must be a final product, preferably in costume, and must be danced by those who will be performing the piece in the Festival. If any dancer were to be substituted without the express permission of the committee, the entire work may be disqualified from performance.
- Works previously performed at NHSDF in the last 3 years by your school may not be resubmitted.
- No school identification credits should appear on any of the submissions; only the title of each work (remember the committee is blind reviewing).
- **Please present a clear and clean recording of your work. Please make sure there is adequate lighting. DO NOT USE CROSS FADES OR CUTS.**
